## **DUAL-USE-DECLARATION**

We - the signatory - are the manufacture of RICKMEIER-products and inform as follows:

We develop, manufacture and sales gear pumps, gear pump units, valves, oil supply units and its spare parts and spare part kits. Our products are designed for industrial lube oil applications in various fields and industries. Our products are clearly NOT deemed to be inherently military in character.

### **GERMANY:**

Our products are not listed according to Dual-Use-Goods and Technologies referred to the 19. German Foreign Trade Regulation - appendix German Export Control List - effective from 23<sup>rd</sup> December 2022.

### **EUROPE:**

Our products are not listed according to Dual-Use-Regulation for goods, technologies and software referred to in Council Regulation (EU) No. 2021/821 dated 21<sup>st</sup> October 2022. This Regulation entered into force on 11<sup>th</sup> January 2023.

### **USA:**

Our products are neither EAR99 classified, nor require an ECCN (Export Control Classification No.).  
(Remark: EAR99 classification indicates that a particular item is subject to the Export Administration Regulations [EAR] but is not listed with a specific Export Control Classification No. [ECCN] on the Commerce Control List [CCL]).

### **IRAN:**

Due to a softening in sanctions of the Iran embargo in Council Regulation (EC) No. 2012/267, last amended on 18<sup>th</sup> October 2015 by Regulation (EC) No. 2015/1861 and entered into force on 16<sup>th</sup> January 2016, deliveries are generally allowed again (with a few exceptions). Due to reactivation of the so-called Blocking Statute (EC) No. 2271/1996, entered into force by Regulation (EC) No. 2018/1011, RICKMEIER does not deliver products directly to Iran.

### **RUSSIA AND EURASIAN ECONOMIC UNION:**

Our products are listed according to Council Regulation (EU) No. 2022/263 dated 23<sup>rd</sup> February 2022 in article 4 annex II. Therefore, RICKMEIER does not deliver any products to Russia as well as to the Eurasian Economic Union.

### **NOTE:**

Our products considered on its own neither fall under ITAR (International Traffic in Arms Regulations) restrictions, nor under the Wassenaar Arrangement on Export Controls for Conventional Arms and Dual-Use-Goods and Technologies. It is not the duty of us, to extend its control over additional treatment or final use of our products. RICKMEIER customers must ensure themselves that their commerce complies with all applicable regulations and laws.
